

COOKIE POLICY

THE SPECIFIC COOKIES WE USE ON OUR SITE

These cookies enable the function of Google Analytics. Software, this software helps us take and analyse visitor information such as browser usage, new visitor numbers, response to marketing activity and shopping times. That information helps us to improve the website and your visitor experience, and to make our marketing campaigns relevant.

The data stored by these cookies can be seen only by our relevant team and Google and never shows any confidential information.

'share' tools

If you take the opportunity to 'share' our content with friends through social networks – such as Facebook and Twitter - you may be sent cookies from these websites. We don't control the setting of these cookies, so we suggest you check the third-party websites for more information about their cookies and how to manage them.

HOW TO DISABLE THEM

If cookies aren't enabled on your computer, it will mean that your visitor experience on our website will be limited to browsing and researching;

To enable cookies

If you're not sure of the type and version of web browser you use to access the Internet:

For PCs: click on 'Help' at the top of your browser window and select the 'About' option

For Macs: with the browser window open, click on the Apple menu and select the 'About' option

How to check cookies are enabled for PCs

Google Chrome

1. Click on 'Tools' at the top of your browser window and select Options
2. Click the 'Under the Hood' tab, locate the 'Privacy' section, and select the 'Content settings' button

3. Now select 'Allow local data to be set'

Microsoft Internet Explorer 6.0, 7.0, 8.0

1. Click on 'Tools' at the top of your browser window and select 'Internet options' , then click on the 'Privacy' tab
2. Ensure that your Privacy level is set to Medium or below, which will enable cookies in your browser
3. Settings above Medium will disable cookies

Mozilla Firefox

1. Click on 'Tools' at the top of your browser window and select Options
2. Then select the Privacy icon
3. Click on Cookies, then select 'allow sites to set cookies'

Mozilla Firefox
